Practical Grammar is a three-level British English Grammar course for self study or use in the classroom. The series takes students through key aspects of English grammar from Elementary to Upper Intermediate levels.

Level 2	Low Intermediate to Intermediate	A2-B1	PET
Level 3	Intermediate to Upper Intermediate	B1-B2	FCE

Organisation of Practical Grammar

Each level of **Practical Grammar** has 100 units, divided into modules of five units. Each module examines a particular area of grammar. The grammar is set in short, everyday conversations or texts, showing the language in natural situations which students will find engaging and easy to work in.

Students then explore the form, meaning and use of the language before practising it in a variety of activity types. A Practice section concludes each module and regular tests check students' progress.

Each level comes with free audio CDs and a pin code which allows access to **MyPC** for extensive additional online practice for use at home or in self-access centres.
