THE NEW AMERICAN WOMAN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The New American Woman It is interesting to note that State Controller John S. Chambers is leading California club women in a State campaign to culminate in an assault upon the Legislature a year and a half hence at the State Capitol! How perfectly splendid all this is, indeed! It is high time that men admit in an open forum composed of women, the rank injustice of a law which allows the husband, upon the death of the wife, to take without administration all the community property, and forbids the wife upon the death of her husband to take her moiety at all, except through the grace of the Probate Court. Mr. Chambers will tell us what every woman is supposed to know by this time, that the half of the community property allotted to a widow she must accept subject to the inheritance tax. Gloriously chivalrous! A State officer reading to women divers and many sections of our Civil Code concerning themselves and their property, which have been the law of California since 1849! Wake up. young ladies! Join the Woman s Law Class or provide yourselves with a Civil Code, which contains the substantive law of our State, and learn a few things of which you should be ashamed to be ignorant. Free legal advice is apt to be unreliable. All rules of law are important and we must so regard them; whether good or bad we must abide by them until repealed or amended. But. it is not now and never was very difficult to convince the gallant men of California of the wisdom and justice of enacting laws favorable to women,...
