MAZE (PAPERBACK)

Tate Publishing Enterprises, United States, 2013. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.My wife died of pancreatic cancer March 1, 1999. A lot of me died with her. Though the temptation to say, Move over, sweetheart, I m coming with you, was compelling, mortal life had me trapped by responsibilities. My problem was keeping myself on track. In this book of short stories and poetry, witness the powerful works of Wayne Goodson as he weaves different tales of seemingly magical lands and situations. In the story Maze, journey through South America with Dr. Marlow Dunne and his son as they aim to prove the existence of the elusive pygmies. Witness the dangers and the mystic culture that is told through the eyes of two adventurers that could cost them their very lives. In the stories Thumper, The Behemoth of Boggy Bayou, and Squirrel Tree, read about the author s strange connection to various animals in the world and how he has come to a mutual respect of their existence. And finally, in the story Martha, take a journey in the lives of Wayne and Martha Goodson; lives filled with love, adventures and misadventures, and the proverbial glue that holds it all together still. Wayne Goodson gives us a view into a world that may be seemingly familiar to some, and almost alien to others, as he provides a window through this book filled with a spirit that promises to reverberate through the generations.
