The Book of Micah occupies the sixth place in the group of the Twelve Prophets, which, at an early date (Sirach xlix. 10), formed a volume by itself, counting as one book among the twenty-four of Holy Writ. According to the heading (i. 1), the author of the prophecies was Micah of Moresheth (a small town in the Shephelah, the Lowland, or slope, between the high hills of Judaea and the maritime coast of Philistia), a contemporary of the kings Jotham, Ahaz, and Hezekiah. There is nothing in the utterances of the prophet which points to the stirring events connected with Sennacherib's Palestinian campaign in 701; it may therefore be assumed that his ministry closed at a previous date, thus extending in all over a period of some thirty years (from 735 to 705). The prophetic activity of Isaiah began a little earlier and closed somewhat later. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
