Lysias was an actual Athenian lawyer whose professional life covered roughly the period from 403 to 380 BC. In that place and time, a lawyer was essentially a speechwriter who prepared or helped to prepare for his client an argument for presentation to a jury made up of a large number of adult males. Lysias was celebrated in antiquity as the best exponent of the plain style, adapting ordinary speech to rhetorical use, and for ethopoeia , the vivid portrayal of character. I can take no credit for the broad outlines of the story, as they are firmly rooted in two surviving speeches of Lysias, and other texts of established authenticity. My account of the main action derives primarily from the speech known as Lysias I or On the Murder of Eratosthenes (Appendix A). The treatment of Lysias and his family by the oligarchic tyrants known as the Thirty , and of his attempt to seek formal justice against a certain Eratosthenes, one of their number, is drawn from Lysias XII, Against Eratosthenes . It is not clear that the two Eratosthenes are the same person, but such a conclusion is not foreclosed by the record, and it makes a better story. Metaneira and Nicarete, Lysias mistress and her madam , and the relation of the former to Lysias, are traceable to a complex later speech by Demosthenes. Frona is the unnamed female slave of Euphiletus, portrayed in the story substantially as she appears in the speech, with respect to her role in facilitating and then avenging the seduction. Her other appearances are fictional. Cephalus and Polemarchus were Lysias actual father and brother, respectively. Each appears in The Republic of Plato. Basil...
