Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Once upon a time, there was nothing magical about the life of Haley Elizabeth. When she wasn't procrastinating or hanging out with her best friend Sara, she was making so-so grades at Spring Hills Middle School-unlike her brainy, cheerleading, musically talented sister Hannah. But now things have turned around for Haley, since she's made the acquaintance of Ms. Juniper Hagglesworth: a language arts teacher by day, and fairy godmother by night, who is able to get her out of just about any jam. The thing is, Ms. Hagglesworth's magic comes at a pretty serious price-one that Haley may not be able to completely repay. Worse yet, there is someone or something out to get her who seems to have a few magical powers of its own, and that could mean grave danger for Haley and the people she loves most. Can Haley get a grip on this magical mayhem before it's too late? Or will her situation take a strange and surprising turn? Find out in this humorously enchanting new book, specifically geared towards young readers in elementary and middle school grades.
