There are many persons, officers of the Government and citizens in private life, whose generous support it would be grateful and pleasant to mention, but to do this would greatly enlarge this pamphlet and be but a poor acknowledgment of the estimate in which these tokens of sympathy are held. With but two or three exceptions, (and it were perhaps better not to allude even to these,) every request made by the several committees in perfecting the arrangements for the occasion was readily granted, and wherever comrades went the kindest sympathy and most generous aid were cheerfully bestowed. It does not fall within the scope of this report to relate the scenes and incidents, the details of the arrangements and the manner of decoration, the object being merely to give what was said, together with the order of the exercises.
