

Inclusion: Developing an Effective Whole School Approach

By Peter Grimes, Alison Ekins

Open University Press. Paperback. Book Condition: new. BRAND NEW, Inclusion: Developing an Effective Whole School Approach, Peter Grimes, Alison Ekins, "At a time when many schools are struggling to become more inclusive within a contradictory national policy context, this book provides some helpful practical leads. Its central message is that of the importance of developing an inclusive school culture within which every child really does matter." Professor Mel Ainscow, University of Manchester, UK "It is a most useful resource for both practitioner-researchers and for school-based initiatives. Written in an accessible style and designed in a format that makes it ideal for use in continuing professional development, it is just right for the needs of twenty first century headteachers and their schools. I highly recommend it as a stimulating and supportive springboard for fruitful dialogue." Jenny Corbett, Emeritus Reader, Institute of Education, University of London, UK This book examines and offers solutions to the challenges faced by schools in ensuring that all students are enjoying, participating and achieving in education. The authors argue that self evaluation lies at the heart of truly inclusive school development. The book focuses on supporting schools in understanding and using school based systems and processes in...

Reviews

Merely no words to explain. I really could comprehend everything out of this published e book. I found out this publication from my dad and i suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Gilbert Stroman
