By Justin MacCormack

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I want to tell you a story, but it s not a pleasant one. It isn t a story that takes place in candy-coloured fields somewhere over the rainbow. It s the story of a curse that has lasted my entire life. It s the story that starts with me as a child, sitting shivering in fear as I watch the movie Return to Oz, and continues to haunt me to this very day. It s a story that scares me more than any wicked witch. It s a fear that lives with me even today, and no wizard can send me safely home again. Tales of Genre-Bending Dark Fantasy and Horror, including the popular Return to Return to Oz , the chilling survival horror Undercurrent, and the disturbing nightmare tale Old Hag, which was too terrifying for conventional magazine publication.
