

Teaching Critical Thinking: Using Seminars for 21st Century Literacy (Paperback)

By Laura Billings, Terry Roberts

Taylor Francis Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book ***** Print on Demand *****.Help students meet today's literacy demands with this new book from Terry Roberts and Laura Billings. The authors show how a seminar approach can lead students deeper into a text and improve their speaking, listening, and writing skills, as recommended by the Common Core State Standards. Roberts and Billings provide easy-to-follow information on implementing Paideia Seminars, in which students discuss a text and ask open-ended questions about it. When teachers use this lesson format, students are exposed to a wide range of increasingly complex texts. They also learn how to collaborate, talk about, and reflect on what they're reading, to make meaning independently and together. Seminars can be done in English class and across the curriculum, using social studies documents or math problems as the texts under discussion. Teaching Critical Thinking also offers an array of practical resources: * teacher lesson plans * student samples * a list of possible ideas and values for discussion * a guide to asking good questions during a seminar * six full seminar plans (including the texts), covering...
