Yearling Books, United States, 2013. Paperback. Book Condition: New. Reissue. 192 x 132 mm. Language: English . Brand New Book. Ice cream warms the heart, no matter what the weather. That s the Dobson family motto. Whenever things get tough, they break out the special heart-shaped bowls and make sundaes. The road has been especially rocky lately for Tess and her deaf little brother, Jordan. Their plucky Texan mother talks big, but her get-rich-quick business schemes have only landed them in serious financial hot water. Ma s newest idea is drastic. She abruptly moves the family to snowy Schenectady, New York, where she will use the last of their savings to open her dream business: an ice cream shop. (Too bad the only place she could find an apartment is in a senior citizens complex.) Tess wants to be excited about this plan, but life in Schenectady is full of new worries. Who will buy ice cream in their shop s run-down neighborhood? What will happen when their money runs out? Worst of all is Ma herself-she s famous for her boundless energy and grandiose ideas, but only Tess and Jordan know about the dark days when she crashes and can t get out of bed. And Tess can t seem to find the right words to talk to Ma about it. This moving story of family, community, and ice cream proves that with a little help from the people around us, life really can be sweet-and a little nutty-just like Rocky Road. From the Hardcover edition.
