

End the Fed

By Ron Paul

Little, Brown Company, United States, 2009. CD-Audio. Book Condition: New. Unabridged. 147 x 132 mm. Language: English . Brand New. During the 2008 presidential campaign over 4,000 students gathered at the University of Michigan to hear Republican Party candidate Ron Paul speak. As he began to address the topics of monetary policy and the coming depression, a chant came from the crowd, End the Fed! End the Fed! As dollar bills were set on fire, it became clearer than ever that the real problem, one that nobody in the media was talking about, was the central bank - an unconstitutional entity and a political, economic, and moral disaster. Most people think of the Federal Reserve as an institution that has always been there (it hasn't) and isn't going anywhere. But in END THE FED, Ron Paul draws on American history, economics and fascinating stories from his own long political life to argue that the Federal Reserve is both corrupt and unconstitutional. It is inflating currency today at nearly a Weimar or Zimbabwe level, a practice that threatens to put us into an inflationary depression where \$100 bills are worthless. What most people don't realise is that the...
