It should certainly rate multiple copies in most libraries' - "School Leadership & Management". The book covers: political, social and ideological contexts; governance and links with external stakeholders; marketing; organizational collaboration, competition, partnership; external/internal culture, and internal structures; strategic leadership and managing change; and, organizational effectiveness, accountability and evaluation. This book is suitable for providers and students in higher educational institutions postgraduate level courses in educational management and leadership development provision for Headteachers induction programmes, NPQH and LPSH.
