Filesize: 3.9 MB

Reviews

Complete guide! Its this kind of very good read through. This is certainly for all who statte there was not a worthy of looking at. I am just quickly will get a delight of looking at a composed publication.
(Kacie Carroll)

MICROSCOPICAL RESEARCHES INTO THE ACCORDANCE IN THE STRUCTURE AND GROWTH OF ANIMALS AND PLANTS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Microscopical Researches Into the Accordance in the Structure and Growth of Animals and Plants Any attempt on my part by way of introduction or commendation of Professor Schwann s work, must, I feel, be altogether misplaced and unnecessary. The treatise has now been seven years before the public, has been most acutely investigated by those best competent to test its value, and the first physiologists of our day have judged the discoveries which it unfolds as worthy to be ranked amongst the most important steps by which the science of physiology has ever been advanced. The Royal Society of London has evinced its sense of the great merit of the work by awarding to its Author the Copley Medal for the year 1845. The extensive reputation and fully-acknowledged value of the original work, then, forbid my presuming that any one of my readers can be altogether unacquainted with it and the general outlines of the Cell-Theory; I may, however, I trust, be permitted to add a few words respecting the edition which is now presented to the Subscribers of the Sydenham Society. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical...
