SPIRITUAL DIRECTION FOR JEWISH CHILDREN (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr Peter Pitzele writes, In her ground-breaking Spiritual Direction for Jewish Children, Rabbi Leslie Schotz has made an original and inspiring argument for the importance of a multi-faceted approach to spiritual direction of young children within the Jewish community. Her book, with its informed survey of the existing literature, will be of immense value to educators and clergy who are challenged with passing on traditional values to children and families in the 21st century. What Rabbi Schotz realizes so clearly is the necessity of approaching the children with many different modalities. Implicitly she extends the by-now familiar insight of multiple intelligences to apply to the soul by suggesting that there are multiple pathways to reach the inner life of children. Resisting the pull of purely knowledge-based and rote-driven approaches to education, Rabbi Schotz is willing to experiment with yoga, music, meditation, journaling, and special kinds of children's literature. Moreover, she models the skills of reflective presence and spiritual listening which are the real tools of spiritual direction. Her book traces her progress and that of two enlightened teachers in developing new approaches to spiritual direction for children. These approaches seek to nourish the inner life of the child. While recognizing the need for a certain level of preparation for her students, Rabbi Schotz is willing to go to unusual lengths to cultivate their innate spiritual gifts. She records her attempts and those of her team to read and to reach each child. She tells eloquently of many small interactions in which we see her penetrate the initial deflections of students who are understandably wary and bored with enforced religious education. Bit by bit we see her win...
