Not illustrated. 1770 Excerpt: .in the house of lords, he is sometimes there incog, to hear them, and every peer fits and speaks with the same freedom as if the king was absent. The full number of the house of commons is five hundred fifty-eight; but if three hundred are met, it is called a full house; and forty members, with the speaker, is a sufficient number to make a house. They fit promiscuously upon forms, except the speaker, who sits in the middle of the room upon a chair, with a table before him, the clerk sitting near him at the table. None but the speaker wears a robe, except the members of London, who at their first meeting appear in scarlet gowns, and sit on the speaker s right hand. Their time of sitting is in the forenoon: but upon urgent occasions they sit very late, and sometimes...

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
